*We Wanted To Say How Much We
Appreciated All Your Hard Work.
We Love Our New Home and Its All
Thanks To You! Sorry It Has Taken
So Long for Us To Send Our Thanks
But We've Been Busy Getting
the House Together, We Could Never
Forget To Thank You. Sincerely,
Ryan and Jenny Baldner*

The Baldner's were First Time Home Buyers, full of questions... as are most First Time Home Buyers. They found their perfect home only a few hours after we met with them. They placed 100% of their trust in the belief that Lori & "G-II" would help them through the maze of paperwork, inspections, assessment of disclosures, CC&Rs, SPDS and the loan process. As you can see... looks like all turned out just fine ☺
